

Lack of visibility hurting your bottom line?

Revenue Cycle Analyzer

provides end-to-end visibility across the revenue cycle

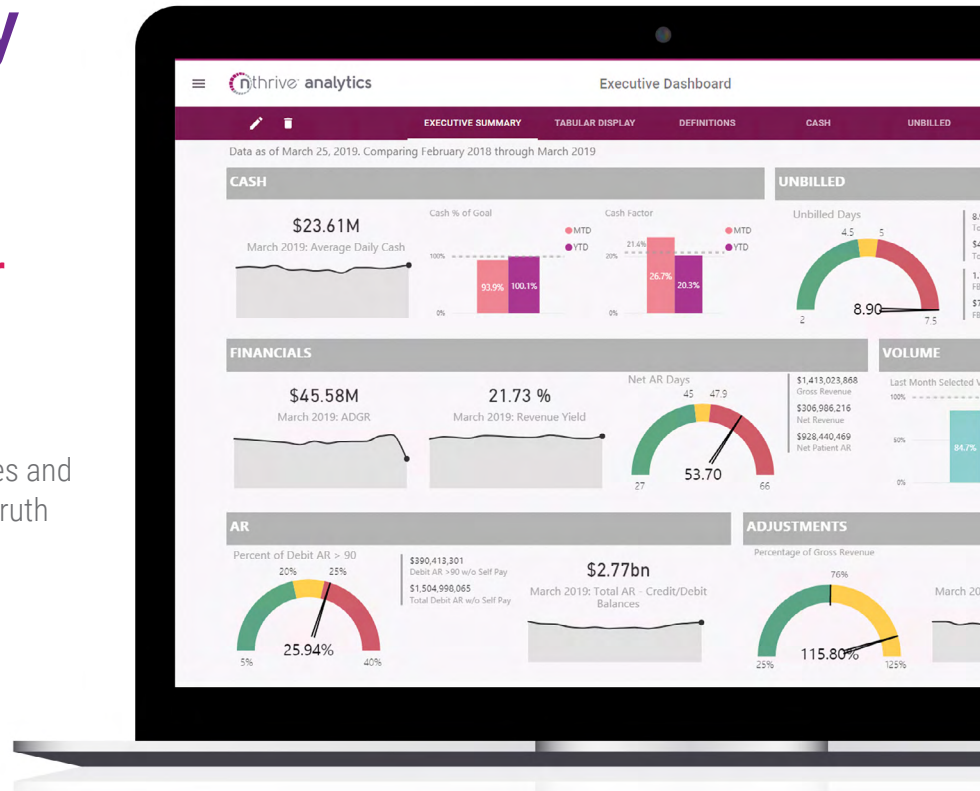

Combines disparate data sources and formats into a single source of truth

Provides a single, holistic view

Enables visibility to isolate and define actionable interventions for your staff

Everything you need in one place

Accurate, end-to-end RCM reporting across multiple data sources

Easy-to-use dashboards to quickly identify trends, root causes

Insight to identify opportunities and interventions

Clear visibility into key metrics to measure performance across the front, middle and back of your revenue cycle; also provides visibility into transaction-level details

Single source monitoring to improve productivity and decision-making

Why nThrive?

- ➔ **Turn-key data extraction** – for rapid implementation
- ➔ **Baked-in revenue cycle expertise and experience**
- ➔ **Comprehensive, end-to-end, holistic view** – acute and ambulatory revenue cycle data

Here's what our clients say

nThrive clients deploying Revenue Cycle Analyzer have demonstrated dramatic improvements, including:

Improved collections

9.7% that's \$17M in 12 months

Reduced Pre-AR/DNFB from

\$14M in work queues to **\$5.5M**

Reduced reporting costs

15-20%

reduction in cost to assemble data, generate reports and analyze impacts
